## Department of Chemistry Mou With Reliable's Shree Industrial Training Centre Jalgaon M.S.

Reliable's Shree Industrial Training Centre Jalgaon M.S. is well known in the field of practical training of analytical instruments. The students serving in Chemical industries will be benefitted to operate the analytical instruments like, high performance liquid chromatography. The technique is helpful in determining the number of components in the compound that is helpful in determined purity of the product formed in the industry. This course will be beneficial for achieving the skills essential in the field of industries. Due to this MoU the students from our college having the opportunity of skill development at their own college and no need to go to the district level or metropollutant cities like Pune, Mumbai etc.
