Percentage of teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the last five years.

Response:

Due to Covid-19 Pandemic during the year 2020-21 and 2021-22 all conferences conducted through online mode with no registration fees. Our faculty members attended conferences and presented their research with zero registration fees. Hence no financial support to attend conference/workshop provided during Covid-19 Pandemic the year. However Faculty provided financial support for workshop, Conference paper presentation and publication in International conference.
