## Green Campus Initiatives

Restricted entry of Automobiles: The “No Vehicle Day” activity is being run by the institute once in a week at Saturday. This activity is adopted by the college staff as well as students and visitors. The reminder notice is being circulated on every Wednesday. All entry points into the campus were closed for vehicles and those who come by vehicles had to park them outside the campus and walk to their department or office. Most of the students of our College come from nearby villages, they use public state transport for daily commute to the college.
