Report of Seminar on National Education Policy 2020 (NEP)

Date: 15th May 2024 at 10.15 am

Venue: Seminar Hall

Organizers: IQAC and Department of Geography, Sau R. N. Deshmukh College

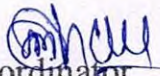

Inaugural Function (10:15 am to 11:00 am):

The National Seminar on National Education Policy 2020 (NEP) commenced with a warm welcome extended to the dignitaries and participants. The event was graced by esteemed personalities including Hon'ble Principal Dr N N Gaikwad, who chaired the function. The keynote address was delivered by Dr S D Bhaise Coordinator NEP-2020.

The National Education Policy in Higher Education 2020 envisions a transformation in the quality, relevance and accessibility of higher education in India. It aims to equip students with the necessary skills and knowledge to excel in a rapidly changing global education system and contribute effectively to society and the economy.

The structure of the three/four-year Bachelor's Degree Programme under NEP-2020 provides learners with the opportunity to experience holistic and multidisciplinary learning in addition to focusing on the major and co-component subjects chosen according to their interests and feasibility.

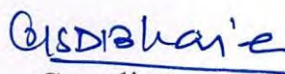

In Department/Subject Specific Core Courses (DSC), at the time of admission, students are required to choose a single major subject from a list of subjects grouped by the college. The DSC (Department Specific Course) approach ensures deep specialization in a multidisciplinary domain. In a three-year or four-year degree program, the learner has to study a major subject (Major) and a minor (Minor) and a skill course (Skilled).
